

PARLIAMENTARY LOBBY

WEDNESDAY 1 NOVEMBER

11AM – 3PM, CENTRAL HALL WESTMINSTER, LONDON

Dear Member of Parliament

NHS Together is a campaign alliance of 16 health service unions and staff associations together with the TUC.

While we acknowledge the increased investment in the NHS we want to meet with you to raise to our concerns that improvements are being jeopardised.

We are campaigning against:

- the creeping privatisation of vital health services
- the pace of introduction of untried and untested reforms
- the failure to adequately consult with health service employees, the deliverers of change
- cuts being made to key services and jobs because of Trust deficits.

I would like to meet you to discuss my concerns. Please could you contact me to arrange to meet me, either on 1st November or on another date in the constituency.
